

Terms & Conditions

Unless a greater value has been placed on a shipment at the time that a request for delivery service is made to the company's office, it is agreed that in consideration of the rate being charged, the liability of the company for damages is limited to \$50. If the shipper declares to the company's office that the value of the shipment exceeds \$50, the company can furnish a rate which will provide insurance against damage to, or loss or delay of, the shipment at the higher value so declared by the shipper subject to certain limitations. In any event, we won't be liable for any damages whether direct, incidental, special or consequential, in excess of the declared value including but not limited to loss, of income or profits; whether or not we had knowledge that such damages might be incurred. We will not be liable for your acts or omissions including but not limited to incorrect declaration of cargo, improper or insufficient packing, securing, marking or addressing of your shipment or for the acts or omissions of the recipient. We will not be liable for loss or damage to shipments of cash, currency or other prohibited items. We will not be liable for loss, damage or delay caused by events we cannot control, including but not limited to acts of God, perils of the air weather conditions, acts of public enemies, war, strikes, civil commotions or acts or omissions of public authorities including customs hand health officials with actual or apparent authority. All complaints regarding damage to loss or delay of any shipment and any special or consequential damages must be submitted in writing to the company's office within 72 hours of delivery of the shipment.
